COMMEMORATING THE LIFE OF WILLIAM HARVEY PRITCHETT

HON. ROBERT HURT

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 17, 2016

Mr. HURT of Virginia. Mr. Speaker, I submit these remarks to commemorate the life of William Harvey Pritchett of Pittsylvania County, Virginia, who passed away May 7, 2016 at age 88.

Mr. Pritchett was a man who believed in service to God, family, community and country. He was a faithful member of Bethel Baptist Church where he taught Sunday School and served as Sunday School Superintendent. Mr. Pritchett also served as a Deacon, a Trustee, Choir, and Chorus Member and in various other committee and leadership capacities both inside and outside of the church.

Mr. Pritchett, a native of Danville, graduated from Langston High School, attended Danville Community College, and earned his associate's degree in business from Christian Brothers College in Memphis, Tennessee. He also served our country for two years in the United States Army during World War II. Mr. Pritchett retired as a District Manager for Universal Life Insurance Company, where he worked for twenty five years.

Mr. Pritchett was the first African-American to serve on the Pittsylvania County Board of Supervisors and was a man who inspired many others to public service. He held the Banister District Supervisor seat for 20 years—first elected in 1991 and serving five terms before retiring in 2011. Mr. Pritchett also served six years as Vice Chairman and chaired the Board of Supervisors in 1996.

Mr. Pritchett was a strong advocate for education and establishing a local recreation department in Pittsylvania County; he served as president of the Dan River-Blairs Civic League, served on the Pittsylvania County Social Services board, served as the President of the Chief Elected Officials of the Workforce Investment Act, and Chaired the Dan River Business Development Center Board.

Mr. Pritchett is fondly remembered by all of his compatriots, including his successor, Pittsylvania County Board of Supervisors Chairman Jessie Barksdale, who stated, "It was very obvious to me that Mr. Pritchett just had a passion to help other people [. . .] If not for Mr. Pritchett, I am positive I would not have run for office of any kind."

On the occasion of the passing of William Harvey Pritchett, I ask that the Members of this House of Representatives join with me and the entire Pritchett family including his wife of 63 years, Lillie G. Pritchett, son Cedric Pritchett, brother Nelson Pritchett, and the community of Pittsylvania County, Virginia in honoring the memory of a great leader.

MONROE SHOCKS AND STRUTS 100TH ANNIVERSARY

HON. TIM WALBERG

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 17, 2016

Mr. WALBERG. Mr. Speaker, I rise today in recognition of the 100th anniversary of Monroe Shocks and Struts—founded in Monroe, Michigan.

In 1916, a humble mechanic and inventor, August F. Meyer, established Brisk Blast Manufacturing Company as a solution to combat frequent flat tires.

Under the leadership of Mr. Meyer, Brisk Blast quickly became a leading producer of tire pumps.

Two years later, Mr. Meyer partnered with Charles McIntyre, and the growing enterprise became Monroe Auto Equipment Company. The business soon perfected the first self-oiled, single-barreled tire pump, which increased sales to over two million a year.

In 1926, the first Monroe shock eliminator was introduced and quickly became one of the best known shock absorbers in the world, used by the majority of American automobile makers through the 1950s.

The emergent company soon became a world leader, as Monroe expanded internationally to Europe in 1964, Japan, Australia, and Mexico in 1972, and South America in 1974. Monroe was then purchased by global manufacturer Tenneco Inc. in 1977 and developed into the leading supplier to North American, Asian and European vehicle manufacturers.

Today, Monroe has cemented itself as the global leader in ride control, having introduced products such as Sensa-Trac, Reflex, and the popular Quick-Strut units.

Most notably, the innovative company still engineers and manufactures its products in North America, maintaining its global leadership as a domestic manufacturer. By partnering with a talented and highly committed workforce, Monroe is the predominant brand of vehicle "ride control" products.

I offer my best wishes to my constituents and friends at Monroe Shocks and Struts as they continue to provide motorists across the globe with safety and control.

HONORING MARBLE BREWERY

HON. MICHELLE LUJAN GRISHAM

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 17, 2016

Ms. MICHELLE LUJAN GRISHAM of New Mexico. Mr. Speaker, I rise today to honor Marble Brewery on their impressive showing during the 2016 World Beer Cup awards.

The Brewers Association hosts the World Beer Cup every two years, a competition

which features over 200 judges for over 90 categories of beer. Large and small breweries throughout the globe enter this prestigious event.

Two years ago I had the privilege of honoring Marble Brewery for their first place finish out of 59 entries in the Kellerbier or Zwickelbier category. I am honored to be able to recognize Marble Brewery again for winning Bronze in the same category at this year's competition. Indeed, Marble Brewery beat out 67 other entries from around the world with their outstanding pilsner.

Marble Brewery was founded in Albuquerque in 2008 by Tim Rice, Jeff Jinnett, and John Gozigan. Since opening, they have expanded rapidly in New Mexico with an exceptional selection of beer. Today Marble Brewery's beers are already staples in restaurants and bars throughout our state, as well as in Colorado, and parts of Arizona.

Marble Brewery is a manifestation of the power of local businesses to provide jobs and services to our community. Mr. Speaker, the First Congressional District of New Mexico is lucky to have such a wonderful and world class brewery in downtown Albuquerque. I wish Marble Brewery years of continued success and look forward to hearing about their future achievements.
